

Gavita[®] Under Canopy 150W LED 120 - 277 V

FIXTURE PART NO: HGC907092

The Gavita Under Canopy 150W LED redefines precision and efficiency in indoor growing. Harnessing advanced technology, this powerful yet compact lighting solution provides unparalleled illumination under the canopy, ensuring your plants receive the full spectrum of light they need to thrive. With a total output of 450 $\mu\text{mol/s}$ and an impressive efficiency of 3.0 $\mu\text{mol/J}$, this LED maximizes yield and energy savings. The dual-sided design achieves a broad light distribution of 155 degrees, allowing for even light spread across the grow area. Completely dimmable down to 10%, it adapts seamlessly to any growth stage, ensuring versatility in any grow. Whether you are a hobbyist or commercial grower, the Gavita Under Canopy 150W LED will undoubtedly boost your yield and quality.

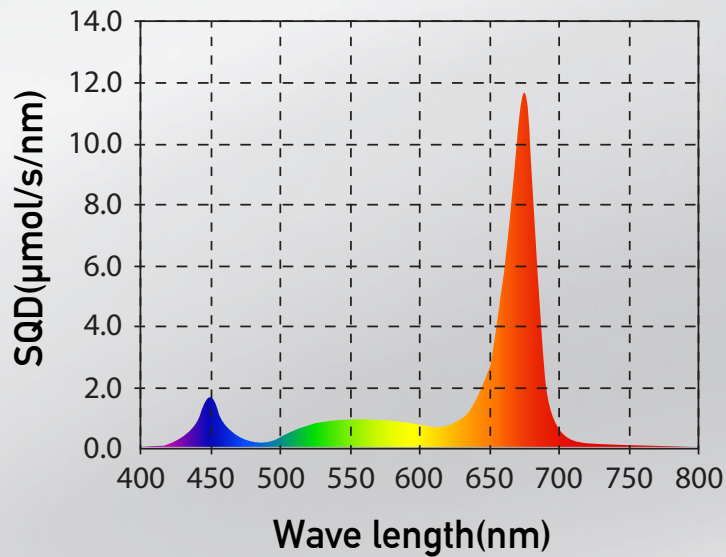

FEATURES:

- **High Light Output:** Delivers 450 $\mu\text{mol/s}$, providing sufficient light intensity for robust plant growth
- **Energy Efficient:** With an efficiency rating of 3.0 $\mu\text{mol/J}$, this LED ensures maximum output with minimal energy consumption
- **Broad Light Distribution:** The 155° light spread ensures even light coverage across the under canopy, reducing shadowing and promoting uniform development.
- **Dual-Sided Design:** Innovative design enhances light penetration from multiple angles, increasing yields by reaching all parts of the under canopy.
- **Dimmable Functionality:** Offers adjustable light output from 10% to 100%, catering to various stages of growth and optimizing energy use.
- **Complete Mounting Kit:** Includes all mounts (pair) and accessories for a hassle-free installation, saving time and effort.
- **Long-Lasting Performance:** Designed for durability, the Gavita Under Canopy LED provides consistent light quality and longevity with a 5 year limited warranty*
